Accessibility Plan

2022 - 2025

The Accessibility Plan is compliant with current legislation and requirement as specified in Schedule 10 - <https://www.legislation.gov.uk/ukpga/2010/15/schedule/10> - relating to accessibility for disabled pupils, of the Equality Act 2010. The Board of Trustees of Pennine Academies Yorkshire (PAY) are accountable for ensuring the implementation, review and reporting on progress of the Accessibility Plan over a prescribed period.

1. We are committed to providing an environment that enables full curriculum access that values and includes all pupils, staff, parents and visitors regardless of their education, physical, sensory, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support, tolerance and awareness within the school. We are committed to challenging negative attitudes about disability and accessibility.
2. The plan has been drawn up and submitted to Pennine Academy Trust on the 01 April 2022. The plan will advise other school documents.
3. The Accessibility Plan is structured to compliment and support equality objectives and will be published on the school website. We understand that Pennine Academy Trust will monitor the school's activity under the Equality Act 2010 (and in particular Section 10 regarding Accessibility) and will advise upon the compliance with that duty.
4. The plan will show how access is to be improved, in a specified time frame, identifying the resources required and how reasonable adjustments can be made to accommodate needs where practicable.
 - a. Improve access to the **PHYSICAL ENVIRONMENT** of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and the physical aids to access education.
 - b. Increase access to the **CURRICULUM** for pupils with a disability, expanding and making reasonable adjustments to the curriculum as necessary to ensure that pupils with a disability are as, equally, prepared for life as are the able-bodied pupils; (if a school fails to do this they are in breach of their duty under the Equality Act 2010). This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist **aids and equipment**, which may assist these pupils in accessing the curriculum.
 - c. Improve and make reasonable adjustments to the delivery of **written information** to pupils, staff, parents and visitors with disabilities. Examples

might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable timeframe.

5. The Accessibility Plan for physical accessibility relates to the Access Audit of the school, which is undertaken regularly. It may not be feasible to undertake some of the works during the life of this Accessibility Plan and therefore some items will roll forward into subsequent plans. The audit will need to be revisited prior to the end of each first three-year plan period in order to inform the development of the new plan for the following period.
6. The Accessibility Plan should be read in conjunction with the following school policies and documents :
 - i. Single Equality Scheme – Oct 2015
 - ii. Curriculum policy
 - iii. School Development Plan
 - iv. Equality Objectives
 - v. Staff Development Policy
 - vi. Health and Safety Policy
 - vii. Special Educational Needs Policy
 - viii. Behaviour Management Policy
 - ix. School Prospectus
 - x. Medical Conditions Policy
7. Equality Impact Assessments will be undertaken as and when school policies are reviewed. The terms of reference in relation to the governance structure within the Academy Trust should include the need to consider Equality and Diversity issues as referred by the Equality Act 2010.
8. Speciality services will be accessed as identified in specific cases.
9. The School Prospectus will make reference to this Accessibility Plan.
10. The school's complaints procedure covers the Accessibility Plan.
11. The Accessibility Plan will be monitored through the Estate Management scrutiny committee.
12. Whole school training will recognise the need to continue raising awareness for staff on equality issues with reference to the Equality Act 2010.
13. The Accessibility Plan will be monitored by Ofsted during the inspection process in relation to Schedule 10 of the Equality Act 2010.
