

Greta Thunberg - Year 4

How to help your child at home

This is our homework grid for Year 4. It features some areas that we think would be useful for your child to practise at home. These may be key skills it's essential your child learns or skills that link to the learning this term. We aim for these to be tasks your child should be able to do at home independently but please see us for any further support.

You must read at home least 3 times a week.

<p>Spelling</p> <p>Learn to read, spell and understand the Year 3/4 word list (attached).</p> <p>If your child is stuck on spelling a word, encourage them to listen to the sounds they can hear or listen for words in it that they know how to spell. E.g. remember re-mem-ber</p>	<p>Writing</p> <p>Punctuation: Children need to correctly using capital letters and full stops in Year 4 at all times. This can be practised at home through sentence writing.</p> <p>Also we are focusing on improving children's range of vocabulary. Reading often will help children to develop their vocabulary and develop their creativity and imagination.</p>	<p>Handwriting</p> <p>We use Kinetic Letters to teach handwriting at CVPS. Your child can practise forming legible letters and make sure the letters sit on the line..</p>  <p><small>Kinetic Letters®</small></p>
<p>Maths - Mental recall Times tables</p> <p>It is vital that your child develops a quick recall of all times tables up to at least 12x12. When they have mastered this, they should also learn the associated division facts. This is important for our Times Tables Check in June. TT Rockstars is an engaging way to practise times tables.</p> <p>Your child's log in will be sent home with them.</p>
