14<sup>th</sup> July – Year 3 Camp out at CVPS

18<sup>th</sup> July – Year 4 Trip Ingleton Falls

19<sup>th</sup> July – Year 6 Prom

### Message From Mrs Rahim

Dear Parents/Carers

As we come to the last half term we can see the signs of hardwork as staff and children are starting to become tired and will definitely be ready for the summer break when it arrives.

However we continue to keep working hard and keeping ourselves busy learning and enjoying events and celebrations!

### WHAT WE HAVE BEEN UP TO!

#### Assessments

Most of last half term we spent time completing statutory assessments. Our Y1s have successfully completed their phonic check this week and it shows them and the staff have worked really hard. Assessments will come to an end next week when our Y4s have completed their multiplication checks-we know they will have done their best!!!

#### Hot Weather

We have been really lucky to experience some very hot weather which hopefully will continue. Due to this it does become very warm in the classrooms therefore KS2 have been allowed to take ties off and unbutton their top button. Children are also being encouraged to drink water more frequently however bottles are not kept on desks.

Please can you ensure that your children have sun cream applied and wear a sun hat. Please also ensure you send your child to school with a full water bottle.

Please note school do sell water bottles for £1.20

16<sup>th</sup> June 2023

Mr Waterman & Mr Devanney are extremely proud of the enthusiasm shown in afterschool clubs recently. A special shout out to R,1 & 2 Gymnastics club who have done so well! One of the children told Mr Waterman 'This is the best day of my life'

### School Class Photos

Yesterday class photos were taken, letters will be sent home in regards to these so please keep an eye out for these coming home. If you would like to purchase a class photo, the preferred option to do this is via Tempest Photograph website, where discounts will apply for buying direct.

### Rock Star day!

Children in Year 4 started the half term with a times tables rock star day. They had a full day of learning times tables in preparation for the multiplication check. They played lots of games in the classroom and also played lots of multiplication active games in the hall. I'm sure you would all agree they are all Times

tables rock stars. 🌟🎸

## UPCOMING EVENTS -

### Refugee Week

This week we had a visitor from Schools of Sanctuary to help us learn about Refugee Week. She taught us what it means to be a refugee and how we can be kind to people who are in that situation. We also submitted some of the children's artwork that will be showcased at an art gallery in Bradford. Well done to all of the children who got involved.

### Family Breakfast

We will be holding the next family breakfast on **Thursday 22nd June**. Children are welcome to come along and enjoy breakfast with their family. The theme will be 'Curriculum'

We would also like to thank all parents and carers for their kind donations and coming along to the Family Breakfast over the last academic year. We know how much the children love the time they spend with their adults at these events.

### Windrush

Year 5 will be taking part in several events linked to the Windrush 75th Celebration. On Monday, we will be joining a zoom with the amazing Floella Benjamin speaking about her experiences. On Thursday, we will be visiting Centenary Square to take part in Bradford's Windrush events and performing a poem.

### Year 6 Events

This half term, Year 6 are completing a basic first aid course with Mr Vigus. As part of this, the children learn key skills for life including; helping a conscious casualty, helping an unconscious casualty, helping somebody who has a cardiac arrest, helping somebody who is choking and helping someone with serious bleeding. This takes place every Wednesday afternoon as part of their PSHE curriculum.

As this is the last half term with our Y6s before they move on to pastures new they have lots of activities planned.

Y6 Prom – 19<sup>th</sup> July

Y6 Graduation — This takes place on the last day of school (**Friday 21<sup>st</sup> July @ 9am**). Parents and carers are invited to attend this special event.

### The Venturists

15 children in school have been working with staff from Participate and Vanquis bank to develop their own community projects. The children will be pitching their ideas next week in a 'Dragons Den' style pannel interview in a bid to get funding for their projects. We have been overwhelmed by their ideas and enthusiasm for the project ranging from building bug houses to help the environment to making friendship bracelets to support mental health.

16<sup>th</sup> June 2023

### **Kid Fit**

Kid Fit will be running summer camps this year. Free places are available for children in receipt of free school meals (pupil premium) and there are also a limited number of paid places available too this year. At only £50 per week this is a really affordable holiday care option for our families. Please ensure booking forms are returned as soon as possible to avoid disappointment.

### **Family Challenge**

This week the family challenge is to build a bug hotel or mini beast house for your garden at home. Tweet (or email them in to [office@cvprimary.co.uk](mailto:office@cvprimary.co.uk) for us to add to Twitter) in a picture of your bug hotel and the creepy crawlies that move in to win a house point for your house team!
