

SATs

SATs will commence from W/B 13.05.24. It is vitally important that your child attends school every day and they are on time.

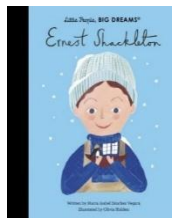

The exam timetable is as follows:

Monday 13 th May 2024	Grammar, Punctuation and Spelling Paper 1 Grammar, Punctuation and Spelling Paper 2
Tuesday 14 th May 2024	English Reading
Wednesday 15 th May 2024	Maths Paper 1 (Arithmetic) Maths Paper 2 (Reasoning)
Thursday 16 th May 2024	Maths Paper 3 (Reasoning)

We will be offering a free breakfast for all Year 6 children every morning during SATs week. This gives them the opportunity to have a good breakfast as well as some social time with their peers and teachers to alleviate any worries that they may have. This will be a drop in session from 8am and there is no need to sign up.

Revision

As we are on the last stretch to SATs now, we would recommend your child engage in some revision at home. This does not need to be onerous because we do not want the children to feel stressed. Continuing to read 3 times a week would be extremely beneficial and ensuring they access a range of text types as well as poetry. They can access Emile where they can practise a range of skills as well as CENTURY. Any revision guides that you have purchased would also be useful. Remember little and often is better than hours of cramming on Sunday 12th May.

Mrs Hampson and Mrs Hickey
Year 6- Ernest Shackleton

Welcome back to an important term for Year 6. This is the half term that we have been working towards all year; where the children will have the opportunity to showcase how brilliant they are during SATs.

Visit the School Website for this term's medium-term plan and updates of our learning.

Family Breakfast

15.4.24 – Commando Joe's

29.4.24 – Stonewall

Summer 2 Dates to be confirmed

Commando Joe's

This half term, the children will be participating in Commando Joe's. Mr Waterman will deliver the sessions and they focus on building character, self-worth and confidence in young people through a series of 'missions' that require team work.

Summer Curriculum

During the Summer term, Year 6 will be learning about the impact of WW2 on Britain. We will learn which countries were involved in the war and their location on a map. We will also understand the impact the war had on children as we look at evacuees.

In science, we will be learning about electricity; where it comes from and how many different ways we can make it. We will then look at how light travels and how many different colours white light can split up in to. We will carry out a series of investigations to find this out.

Important Dates

19.04.24 – Medium term plan published on website

03.05.24 – CVPS May Day

06.05.24 – Bank Holiday Monday (school closed)

W/B 13.05.24 – SATs Week

24.05.24 – CVPS Wellbeing Day

24.05.24 – End of half-term

10.05.24 – School re-opens

10.07.24 – CVPS Sports Day

Year 6 Theatre Trip Date tbc. More information to follow.

PE

Our PE is on a **Tuesday**. Please come to school dressed in your full kit: black jogging bottoms, black hoody and house colour t-shirt. All clothing should be plain with no patterns or large logos.
