

Home Learning

At Clayton Village, we want all children to be readers and it is a value we encourage. Not only for academics but more for joy and escapism from the everyday world. We encourage all of our children to become avid readers and read at home frequently. They do not need to read aloud to an adult but you are encouraged to ask your child questions about what they have read. This year, to encourage reading your child has been provided with a reading journal: it is for them to present reflections/reviews on the book they have been reading.

Miss Barraclough and Mrs Fawad Year 6- Ernest Shackleton

Welcome back to another term in Year 6!

We hope you had a lovely Christmas break and are ready to come back learning. This term is very important as we prepare our Year 6 for their SATs therefore attendance is vital.

Visit the School Website for this term's medium term plan and updates of our learning.

Spring Curriculum

In Spring, Year 6 will be studying the impact of WW2 on Britain. We will learn about the Battle of Britain and know the different phases. Understand how The Blitz impacted Britain and how children were evacuated to safety.

In Science, we will be studying living things and their habitats and looking to answer the question, how and why do we classify living things?

In Design Technology, we will be developing our cooking skills and preparing, making and evaluating a three-course dinner.

SATS Preparation

SATS Week: 11th May – 14th May 2025

We will be holding another Mock SATS w/c 9.03.26. We will run these using conditions and access arrangements that are close to how the SATs will be ran. That week will prepare the children but also allows us to ensure we have arrangements set up in a way that enables the children to have the greatest success.

Reminder that 100% attendance is crucial this term. Those children who get 100% attendance between now and 14th May will receive a reward.

Careers Week

Our careers week is **W/B 9.2.26**. We are looking for volunteers to come to school and share with the children all about their job. If you are interested in volunteering, please contact the school office – office@cvps.paymat.org
